- Bank account details for your payments

Get your super together

It helps to get all your super rollovers and contributions together before investing in a pension (since you cannot add or contribute to a pension once it has started).

- If you've already got a smartMonday super account with us, nominate the amount you would like to transfer across to commence your pension (on page 1 of the *Application* form).
- Search 'Consolidation' at smartmonday.com.au
- **Paper forms:** Send us a completed *Request to transfer whole balance of superannuation benefits between funds* form for any super you want to bring across from other super funds you have. The form is available in this Member kit or on the forms section of our website. You'll need a separate form if you have money in multiple super funds.

Please note:

If you haven't already got a superannuation account with smartMonday, and you don't want to use your existing super fund to get your super monies together, you may want to consider applying for a smartMonday PRIME personal account, a product issued by the trustee. The PDS is available at smartmonday.com.au or call us on **1300 614 644** for more information. You should consider the PDS in deciding whether to acquire a smartMonday PRIME account.

Nominate a beneficiary

It's important to let us know who you would like to leave your superannuation money to when you die. There are three death benefit nomination options available to you in a smartMonday PENSION

- reversionary
- binding
- non-binding

See page 7 of the *Application* form to nominate your beneficiaries.

Appointing a financial adviser

These purposes may change in the future as a result of legislative change. Your TFN may be disclosed to another super provider when your benefits are being transferred, unless you request in writing that your TFN is not to be disclosed to any other trustee.

It is not an offence if you choose not to quote your TFN. But, if you do not tell us your TFN, either now or later, you may pay more tax.

Binding nomination of beneficiaries

Complete this form to make a binding nomination of the beneficiaries you wish to receive your superannuation death benefits in relation to your smartMonday account.

You can also use this form to revoke or change your nomination.

This form must be printed and signed and may be returned by scanning and emailing to us at enquiry@smartmonday.com.au or by post at **smartmonday, GPO Box 1202, Brisbane QLD 4001.**

Section 1 Important Information

A binding nomination is a legally binding instruction to the Trustee on the beneficiaries that should receive your superannuation death benefits in the event of your death whilst a member of the fund. So long as the nomination is valid, the Trustee is bound to follow it. In the event that the nomination is found to be invalid, it will be treated as a non-binding nomination. (See section 7 for more information). If you wish to make a non-binding nomination, you can do so online by logging in at smartmonday.com.au.

On formal notification of your death (e.g. Death certificate), your account balance will be switched to the Cash investment option.

Who can you nominate?

You can nominate your legal personal representative and/or one or more of your dependants or persons whom you have an interdependency relationship, as your beneficiaries. See section 7 of this document for more information.

How long does your nomination last?

Your nomination will be valid for 3 years unless or until you amend or revoke it. You can amend or revoke your nomination at any time. As your personal circumstances change, it's important to keep your nomination up to date. Any new and valid nomination will replace any previous nomination you have made. We will notify you before your nomination is due to lapse and provide you with an option to renew it.

Making a valid nomination

If you have completed your form incorrectly, your binding nomination will not be in force until a correctly completed form is received and acknowledged by the trustee. Please ensure you have nominated appropriate beneficiaries and your form has been witnessed.

Section 7 Additional Information and Definitions

You do not need to return this page to us when completing this form.

Dependants

A dependant is:

- The spouse of the person, any child of the person and any person with whom the person has an interdependency relationship at the relevant time (being in the case of a deceased person the date of their death); and
- Any other person who in the opinion of the Trustee is at the relevant time (being in the case of a deceased person the date of their death) wholly or partially dependent on the person for maintenance or support.

Interdependency

Two persons have an interdependency relationship if:

- They have a close personal relationship; and
- They live together; and
- One or each of them provides the other with financial support; and
- One or each of them provides the other with domestic support and personal care.

Making a Valid Nomination

A death benefit will become invalid if:

- One of your beneficiaries dies before you do;
- One of your nominated dependants is not a dependant at the time of your death; or
- The nomination was not made directly by you (it is Trustee policy not to accept nominations through Power of Attorneys, or from anyone other than you).

Nominations must be signed and witnessed to be valid. The form must be returned in hard copy by post, or by scanning and emailing signed copies.

If your nomination is invalid at the time of your death it will be treated as a non-binding nomination. This means the Trustee may be guided by the nomination, but otherwise will pay my death benefit at their discretion and in accordance with the superannuation laws.

Please note: a binding nomination does not override any court orders that may be in place at the time of assessment of your death benefit.

Completing the form *Rollover initiation request to transfer whole balance of superannuation benefits between funds*

By completing this form, you will initiate a rollover request to transfer the **whole** balance of your super benefits between funds. This form can **not** be used to transfer part of the balance of your super benefits.

You can **not** use this form to transfer your benefits to your own self-managed super fund (SMSF). You must use the form *Rollover initiation request to transfer whole balance of superannuation benefits to your self-managed super fund* (NAT 74662).

This form will not change the fund to which your employer pays your contributions. The *Standard choice* form must be used by you to change funds.

BEFORE COMPLETING THIS FORM

- Read the important information below.
- Check that the fund you are transferring your benefits **TO** can accept this transfer.

WHEN COMPLETING THIS FORM

- Refer back to these instructions where a question shows a message like this: 
- Print clearly in BLOCK LETTERS.

AFTER COMPLETING THIS FORM

- Sign the authorisation.
- Send the request form to either your **FROM** fund or your **TO** fund

IMPORTANT INFORMATION

 This transfer may close your account – you will need to check this with your **FROM** fund.

This form can **not** be used to:

- transfer part of the balance of your super benefits
- transfer benefits if you don't know where your super is
- transfer benefits from multiple funds on this one form – a separate form must be completed for each fund you wish to transfer super from
- change the fund to which your employer pays contributions on your behalf
- open a super account
- transfer benefits under certain conditions or circumstances – for example, if there is a super agreement under the *Family Law Act 1975* in place

CHECKLIST

- Have you read the important information?
- Have you considered where your future employer contributions will be paid?
- Have you checked your **TO** fund can accept the transfer?
- Have you completed all of the mandatory fields on the form?
- Have you signed and dated the form?

WHAT HAPPENS TO MY FUTURE EMPLOYER CONTRIBUTIONS?

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits **FROM**.

If you wish to change the fund into which your employer contributions are being paid, you will need to speak to your employer about super choice. For the appropriate forms and information about whether you are eligible to choose the fund to which your employer contributions are made, visit ato.gov.au or call the Australian Taxation Office (ATO) on **13 10 20**.

THINGS YOU NEED TO CONSIDER WHEN TRANSFERRING YOUR SUPERANNUATION

When you transfer your super, your entitlements under that fund may cease – you need to consider all relevant information before you make a decision to transfer your super. If you ask for information, your super provider must give it to you.

Some of the points you may consider are:

- **Fees** – your **FROM** fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees, and exit or withdrawal fees. Your **TO** fund may also charge entry or deposit fees on transfer. Differences in fees that funds charge can have a significant effect on the super you will have to retire on – for example, a 1% increase in fees may significantly reduce your final benefit.
- **Death and disability benefits** – your **FROM** fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have – other funds may not offer insurance, or may require you to pass a medical examination before they cover you.
- When considering a new fund, you should consider checking the costs and amount of any cover offered.

WHAT HAPPENS IF YOU DO NOT QUOTE MY TAX FILE NUMBER (TFN)?

You are not required to provide your TFN to your super fund. However, if you do not provide your TFN, your fund may be taxed at the highest marginal tax rate, plus the Medicare levy, on contributions made to your account in the year, compared to the concessional tax rate of 15%. Your fund may deduct this additional tax from your account.

If your super fund does not have your TFN, you will not be able to make personal contributions to your super account. Choosing to quote your TFN will also make it easier to keep track of your super in the future.

Under the *Superannuation Industry (Supervision) Act 1993*, your super fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another super provider when your benefits are being transferred, unless you request in writing that your TFN is not to be disclosed to any other trustee.

TRANSFERS TO SELF-MANAGED SUPER FUNDS

You must use the form *Rollover initiation request to transfer whole balance of superannuation benefits to your self-managed super fund* (NAT 74662) to transfer your benefits to your own self-managed super fund (SMSF).

HAVE YOU CHANGED YOUR NAME OR ARE YOU SIGNING ON BEHALF OF ANOTHER PERSON?

If you have changed your name or are signing on behalf of the applicant, you will need to provide a certified linking document – a linking document is a document that proves a relationship exists between two (or more) names.

The following table contains information about suitable linking documents:

Purpose	Suitable linking documents
Change of name	Marriage certificate, deed poll or change of name certificate from the Births, Deaths and Marriages Registration Office
Signed on behalf of the applicant	Guardianship papers or Power of Attorney

CERTIFICATION OF PERSONAL DOCUMENTS

All copied pages of **original** proof of identification documents (including any linking documents) need to be certified as true copies by any individual approved to do so (see below).

The person who is authorised to certify documents must sight the original and the copy and make sure both documents are identical, then make sure all pages have been certified as true copies by writing or stamping '**certified true copy**' followed by their signature, printed name, qualification – for example, Justice of the Peace or Australia Post employee – and date.

The following people can certify copies of the originals as **true and correct** copies:

- a person enrolled on the roll of a State or Territory Supreme Court or the High Court of Australia as a legal practitioner
- a judge of a court
- a magistrate
- a Chief Executive Officer of a Commonwealth court
- a registrar or deputy registrar of a court
- a justice of the peace
- a notary public officer
- a police officer
- an agent of the Australian Postal Corporation who is in charge of an office supplying postal services to the public
- a permanent employee of the Australian Postal Corporation with two or more years of continuous service
- an Australian consular officer or an Australian diplomatic officer
- an officer with two or more years of continuous service with one or more financial institutions
- a finance company officer with two or more years of continuous service (with one or more finance companies)
