

smartMonday Super International Shares - Diversified Option

Objective

To provide a return that exceeds the benchmark return (after investment related fees and costs but before tax) over rolling 5-year periods.

Strategy

Invests in shares listed on stock markets around the world, with partial \$A hedging.

Who is the Option for?

Intended to be suitable for those who can tolerate negative returns in some years, and can accept significant volatility from foreign exchange fluctuations, because they intend to remain invested in this option for the suggested minimum timeframe.
