NOTES

Past performance is not a reliable indicator of future performance. smartMonday has taken care in the production of this document, the contents of which has been obtained from sources that it believes to be reliable. smartMonday and the trustee take no responsibility for you acting on the information provided. Any decision that you make is at your own risk.

The performance returns shown above are calculated net of investment fees and transaction costs. The returns are based on unit prices of each investment option calculated as at the end of the month. Unit prices are based on the latest available investment valuations at the time of calculation, which means they could be 1 or 2 days behind the current market indices.

Transition to Retirement pension accounts (TRP): The table above shows the historical returns for 'tax-exempt' retirement pension investment options. See the smartMonday PRIME and DIRECT investment performance reports for an indication of historical returns for 'taxed' TRP investment options. Please note that TRP accounts were tax exempt prior to 1 July 2017.
