

# Make sure you're covered

Your smartMonday super account most likely offers life insurance and cover for total and permanent disability. Checking what cover you have to ensure it is enough to meet you and your loved ones needs, is a smart move.

## Insurance is boring - why should I care?

- > Insurance through smartMonday is an economical way to ensure that you and your family are financially protected.
- > Having the right level of insurance is important, because you or your family may need to rely on this insurance amount in the future.
- > As a rough guide, experts recommend that you protect five to ten times your annual income.
