## Member news from the Aon Master Trust

### Regulatory reform fee

Much work continues within the Aon Master Trust to ensure your fund meets the legislative requirements of the Stronger Super reforms.

The many changes to the legislation have inevitably added to the ongoing cost of meeting those requirements. To limit the cost impact on members, Aon will cover approximately 60% of the additional cost with members paying the remaining portion – equivalent to \$19.42 per member. This amount will be deducted from your super account on 31 October 2016.

### Changes to Federal Budget super proposals

On Thursday 15 September the Government made a number of changes to the super proposals they announced in the May 2016 Federal Budget.

The changes may affect you if you:

- want to put more after-tax money into your super
- are looking forward to making 'catch-up' contributions from your before-tax pay
- are aged 65 to 74.

You can read about the changes [here](#).

Please note that there could be further changes to the Budget proposals before they become law.

You may like to get some expert advice on how the proposals and any changes to them may affect you. If you don't have an adviser, email us or call us on 1300 880 588 to ask about the financial advice services you can access through the Aon Master Trust.
