## **Important information about your account in The Executive Superannuation Fund (TESF)**

**Member number: <<000000-000000>>**

This letter provides you with important information about your superannuation account in The Executive Superannuation Fund (TESF).

As part of a review to improve member outcomes, Equity Trustees Superannuation Limited (ETSL), the trustee of TEF has made an in-principle decision to transfer all members and assets of TEF to the Aon Master Trust (AMT) into a product called smartMonday PRIME TEF (*subject to the "Important Legal Stuff" noted in Appendix 2*).

ETSL is the trustee for both of these funds and has made this decision to gain greater efficiencies and economies of scale which will deliver:

- a reduction in total fees paid for the majority of members (please refer to the fee comparison below for the impact of this transfer on your account).
- an increase in the range of available investment options, and
- access to the smartMonday 'smartCoach' intra-fund advice team.

### **What does this mean for you?**

Upon transfer to smartMonday PRIME TEF:

- You will cease to be a member of TEF and you will become a defined benefit member of smartMonday PRIME TEF.
- There will be no changes to your defined benefit arrangements. The calculation of any defined benefit entitlements (including any insured amounts in death or disablement benefits) will remain the same. Any notional accounts which support the calculation of your defined benefit entitlements (for which investment choice is not available) will be invested in accordance the investment strategy applicable to the defined benefit pool of assets, as determined by the Trustee (in conjunction with the actuary and your employer) from time to time.
- Any accumulation accounts which support the calculation of your defined benefit entitlements will be transferred to smartMonday PRIME TEF and invested in accordance with the applicable investment strategy.
- Any voluntary accumulation accounts will be transferred to smartMonday PRIME TEF and invested into an equivalent investment option(s) (in terms of objective, strategy and risk).
- Any surcharge account balance will be transferred to smartMonday PRIME TEF and invested in accordance with the applicable investment strategy.
- You will continue to maintain your current membership number.
- You can continue to login to your secure online account as per normal, however after the transfer, it will carry the smartMonday brand.
- Any non-binding beneficiary nomination you have in place in the TEF will remain in place following the transfer to smartMonday.
- Any valid binding death benefit nomination you have in place in the TEF will be recognised by smartMonday until the earliest of the following events:

- you revoke the binding nomination;
  - you submit a new binding nomination; or
  - the date that is 3 years after the date on which your binding nomination in the TESF was first signed or last confirmed or amended.
- If you already hold insurance cover in TESF, you will retain your insurance cover and your cover will simply be transferred to your new account in smartMonday PRIME TESF. There will be no changes to the terms and conditions applicable to your insurance, and your insurance premiums will remain the same.

### **Defined Benefit Fees and Costs**

Defined benefit fees and costs (excluding any additional accumulation accounts) are met from a defined benefit asset pool or employer contributions to that pool. As a TESF defined benefit member, there are no annual administration fees deducted from your account. These arrangements will continue following the transfer of your account to smartMonday PRIME TESF while you remain a member of the defined benefit plan.

### **smartCoach**

As a smartMonday member, you have access to the smartCoach intra-fund advice team who can provide you with advice on your overall retirement and insurance adequacy. There is no additional cost to use this service as it is funded through the fees you pay for administering your investments. To access this service email [smartcoach@smartmonday.com.au](mailto:smartcoach@smartmonday.com.au) or phone 1300 262 241 (please have your TESF account number, as shown at the top of this letter, handy).

### **Next steps**

You cannot opt-out of the transfer to smartMonday PRIME TESF, however you may request payment of your benefit (if you are eligible to receive your defined benefit entitlement, and any voluntary accumulation account(s) you may have under TESF's trust deed and superannuation law). To do so, please contact Member Services on 1300 614 644 as soon as possible to obtain the relevant form to complete. You must complete and return the form to Member Services **by no later than 16 November 2018**. We recommend that you obtain advice from a qualified financial adviser before you make any decision regarding your superannuation.

### **What other information will you receive?**

After the transfer has taken place, your existing account will be closed, and you will receive an exit statement from TESF.

After your account has been transferred, you will receive a Welcome Pack from smartMonday which will include a welcome statement, providing details of your account and how it is invested, and any insurance cover (if applicable).

You can also find more details about your defined benefit plan in smartMonday PRIME TESF by reading the relevant Product Disclosure Statement to be made available in the Resources section of [smartmonday.com.au](http://smartmonday.com.au) website from the transfer date (please see the statement in Appendix 2 to this letter which explains how certain disclosures may be made to you electronically by smartMonday unless you opt out). If you have any queries in the meantime, please contact Member Services on 1300 614 644.

### **IMPORTANT – No processing period**

In preparation for this transfer **transactions** (such as switches or withdrawals), relating to the TESF and smartMonday PRIME TESF, **will not be processed from 16 November 2018 to 7 December 2018**.

Any requests (e.g. benefit payments, rollovers to another fund, etc), or transactions (e.g. contributions, rollovers into the fund, etc) to be processed prior to the transfer must be received by Member Services **no later than 16 November 2018**. Transactions received after this date will be processed in smartMonday PRIME TESF from 10 December 2018 and will be processed using the relevant unit price applicable on the day of processing.

If you have an urgent family law matter or benefit claim (e.g. financial hardship or disablement) during the suspension on processing, please contact us (using the contact details below) to check the progress of your claim.

Any insurance claim that is made, but not finalised, prior to the transfer will continue to be managed by the trustee in smartMonday PRIME in accordance with the governing rules of the TESF.

Any complaint that you may have made to the trustee in TESF that is not resolved prior to the transfer will be handled, from the date of transfer, by the trustee in smartMonday PRIME.

## Appendix 1

### Important Legal Stuff (which you really should read!)

#### **How and when will the transfer take place?**

Subject to the completion of the due diligence process and the trustee determining that the transfer is in the best interest of members, it is anticipated your account will be transferred to 'smartMonday PRIME TESH in the AMT on **22 November 2018**, unless you choose to opt-out of the transfer.

Under superannuation legislation a member can be transferred to a 'successor fund' without the member's consent only if the rights in respect of the transferred benefits are equivalent (or better) in the receiving fund. Your benefits in TESH will be transferred to the AMT only if this test is satisfied.

#### **smartCoach Intra-fund advice.**

Any intra-fund advice provided by smartMonday smartCoaches is provided by or on behalf of Aon Hewitt Limited ABN 48 002 288 646 AFSL 236667 under its Australian Financial Services Licence.

#### **Tax File Number (TFN)**

If you have not provided your TFN, your employer contributions and any other concessional contributions will be subject to 34% additional income tax on top of the 15% tax paid. If you provide your TFN before the transfer of your account, TESH is entitled to claim a tax offset for the amount of the additional tax paid (within four years of the TFN being supplied) and the tax offset will then be refunded to you. If you have not already provided your TFN, you will need to provide it before the start of the "no processing period" (explained previously), otherwise we will not be able to process a refund of any additional tax you have paid. You will not be able to claim a refund after the transfer.
