Past performance is not a reliable indicator of future performance. smartMonday has taken care in the production of this document, the contents of which has been obtained from sources that it believes to be reliable. smartMonday and the trustee take no responsibility for you acting on the information provided. Any decision that you make is at your own risk.
The performance returns shown above are calculated net of investment fees and transaction costs and an allowance for tax on investment income. The returns are based on unit prices of each investment option calculated as at the end of the month Unit prices are based on the latest available investment valuations at the time of calculation, which means they could be 1 or 2 days behind the current market indices.
smartMonday Lifecycle (MySuper) is only available to members of smartMonday PRIME and former members who transferred to smartMonday DIRECT upon leaving their employer. (smartMonday Lifecycle is not available as a transition-to-retirement investment option in smartMonday PENSION.)

Transition to Retirement pension accounts (TRP): The table above shows the historical returns for TRP investment options taxed at the concessional superannuation tax rate of up to $15 \%$. Please note that TRP accounts were untaxed (i.e. tax exempt) prior to 1 July 2017 . This means that 7 -year and 10 -year performance returns shown here are only an indication and may be slightly understated compared to what your TRP account may have earned (if it commenced before 2017). For
historical returns of tax-exempt' investment options, see the smartMonday PENSION investment performance reports.
*Please note, these investment options failed APRA's 2022-23 Your Future Your Super performance test. Visit https://smartmonday.com.au/news/FFYS-Performance-Test for an explanation of what this means.
