

Benefit transfer or payment request

Use this form to request a transfer/rollover of your benefit to another superannuation fund or a benefit payment to you. Transferring or paying benefits can have an impact on your insurance, tax, fees and investments. We recommend you seek financial advice before completing this form. For more information, see the relevant Product Disclosure Statement (PDS) and/or speak with your financial adviser.

Important information

If you have any questions, please contact us using the details provided on your personalised member homepage.

- Benefit transfers and payments can be withdrawn only from managed investment options.
- In order to prevent fraud and protect your benefit, all transfer or payment requests must be accompanied by a 'certified' copy of a photo ID (eg passport details page or driver's licence). You do not have to provide a certified photo ID to rollover/transfer your benefits within the Fund.
- A document may be certified by one of the qualified witnesses listed on the last page of this form.
- Depending on the insurance arrangements relevant to you, you may have the option to continue your insurance cover (if any) through an individual insurance policy or "continuation option" with the insurer. If you want to take up this option please contact us to see if you are eligible and the steps required by you.

Your transfer/rollover to another super fund

If you are transferring your whole benefit under portability of superannuation rules and have not left the employer making contributions for you in smartMonday PRIME, we require written confirmation from your employer that no further contributions will be made to your smartMonday PRIME account and the date the last contribution was made to your account, otherwise we will not be able to proceed with the transfer of your benefit. This confirmation can be posted or emailed us. For transfers to self-managed superannuation funds (SMSFs), we will only transfer your benefit to your SMSF operating bank account. Please complete bank account details in *Payment details* and attach a certified copy of a bank statement for that account. We may require additional compliance documentation, such as a certified copy of the trust deed and/or investment strategy for transfers to an SMSF.

Your tax file number (TFN)

I understand that I do not have to provide my TFN. I am choosing to provide my TFN to the trustee:

- to facilitate the administration of my superannuation account, and to facilitate any other actual or proposed uses authorised by superannuation or taxation legislation
- to facilitate the search for and consolidation of my superannuation accounts, by seeking superannuation information from the Australian Taxation Office (ATO) and/or a RSA provider or superannuation entity, as legislation allows.

Your TFN will be provided to any new fund to which you may later transfer, unless you advise us otherwise.

We are required under the rules of the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 to verify a member's identity when making a payment or transfer. Your application must be accompanied by a 'certified' copy of a photo ID (eg passport details page or driver's licence).

Where a photo ID is not held, we will accept a certified copy of one document from list 'A' plus one document from list 'B' below.

You are not required to provide a certified copy of a photo ID for rollovers within smartMonday.

List A

- Citizenship certificate issued by the Commonwealth
- Pension card issued by Centrelink that entitles the person to financial benefits.

List B

Change of name

If you have changed your name you must produce certified copies of 'link' documents. Link documents prove that a relationship exists between two or more names.

In the event that you have changed your name by marriage or divorce, the link documents you would be expected to provide would be a certified copy of a marriage certificate or a decree nisi (divorce certificate). In both cases, there must be evidence of your current name and previous name or names.

If you have changed your name legally you will need to provide the trustee with a certified copy of a change of name certificate or deed poll from the Registry of Births, Deaths and Marriages or similar body in your State.

Signing on behalf of a member

If you are signing on behalf of a member you must produce a certified copy of a current Guardianship order or Power of Attorney (POA) document. You must ensure that you provide all pages to the trustee, duly certified.

In the case of a POA you must also provide a signed declaration that the POA is current and has not been revoked.

Document certification

Copies of identification documents must be certified by one of the qualified witnesses in the list below.

The witness must sight both the original and the photocopy to ensure they are identical.

The witness then formally certifies each page of the photocopy with the following:

- their signature
- their printed name
- their qualification as a witness (eg Justice of the Peace)
