Section 7: Your non-binding death benefit nomination

In the event of your death while you are a member of the Fund, the benefit provided under the rules of the Fund is usually payable by the trustee to one or more of your dependants or to your estate. Dependants are limited by law to your spouse, your children and any other persons who are financially dependent on you or in an interdependency relationship with you. Your nomination of preferred beneficiaries below will only be used as a guide by the trustee in deciding who should receive your death benefit. (Note: If you wish to make a binding nomination, complete the *Binding death benefit nomination* form on our website.)

If you do not have any dependants please cross this box.

If you do have dependants, we recommend that you list them as your preferred beneficiaries or your legal personal representative/executor for payment of your death benefit below. However you are not required by law to do so. You may change this nomination at any time. Attach a letter if you wish to nominate more than four beneficiaries.

Your percentage nominations must amount to 100% of your benefit.
