Changes to fees in your smartMonday account

The smartMonday team would like to keep you up to date with changes that are happening to your superannuation account.

smartMonday is able to apply a discount to the Asset Administration Fee in some cases. These discounts are linked to the value of your employers' superannuation plan. Due to a change in the value of the <<plan name>>, the Asset Administration Fee that applies to your superannuation account has changed. You can find more information about how these discounts apply in the *smartMonday PRIME Product Disclosure Statement (PDS)* and *Fees and cost guide* available on the smartMonday website smartmonday.com.au.

Details of the changes to your smartMonday account are shown in the table below. These fee changes became effective on 1 April 2020.

Fee Type	Current Fee	New Fee from 1 April 2020	Standard smartMonday Fee
Asset Administration Fee – MySuper	<<MySuperCurrentFee>>	<<MysuperNewfee>>	0.53% pa
Asset Administration Fee – other managed options	<ChoiceCurrentFee>>	<<ChoiceNewfee>>	0.50% pa

How to calculate your fee: *If your balance was \$50,000 and your fee was 0.53% pa, your asset administration fee would be calculated as follows: \$50,000 x 0.0053 = \$265.*

Please note, other fees also apply to your account. More information about these fees can also be found in the *smartMonday PRIME PDS* and the *Fees and cost guide* available on the smartMonday website.
