Dear

Important information about your superannuation account in The Executive Superannuation Fund (TESF).

Member number:

This letter provides you with important information about your superannuation account in The Executive Superannuation Fund (TESF).

As part of a review to improve member outcomes, Equity Trustees Superannuation Limited (ETSL), the trustee of TESF has made an in-principle decision to transfer all members and assets of TESF to the Aon Master Trust (AMT) into a product called smartMonday PRIME TESF (subject to the "Important Legal Stuff" noted in Appendix 2).

ETSL is the trustee for both of these funds and has made this decision to gain greater efficiencies and economies of scale which will deliver:

- a reduction in total fees paid for the majority of members (please refer to the fee comparison below for the impact of this transfer on your account).
- an increase in the range of available investment options, and
- access to the smartMonday 'smartCoach' intra-fund advice team.

What does this mean for you?

Upon transfer to smartMonday PRIME TESF:

- You will cease to be a member of TESF and you will become a member of smartMonday PRIME TESF.
- You will continue to maintain your current membership number.
- You can continue to login to your secure online account as per normal, however after the transfer, it will carry the smartMonday brand.
- Any non-binding beneficiary nomination you have in place in the TESF will remain in place following the transfer to smartMonday.
- Any valid binding death benefit nomination you have in place in the TESF will be recognised by smartMonday until the earliest of the following events:
 - you revoke the binding nomination;
 - you submit a new binding nomination; or
 - the date that is 3 years after the date on which your binding nomination in the TESF was first signed or last confirmed or amended.
- If you already hold insurance cover in TESF, you will retain your insurance cover and your cover will simply be transferred to your new account in smartMonday PRIME TESF. There will be no changes to the terms and conditions applicable to your insurance, and your insurance premiums will remain the same.

- If you do not currently hold insurance cover in your TESF account, you will not be provided with the insurance cover upon joining smartMonday PRIME TESF. However, if eligible, you may apply for insurance cover in smartMonday PRIME TESF following the transfer.
- Any existing arrangements you may have with third parties such as allowing family members, carers or advisers to access your account (including agreed adviser remuneration and authorisations to view your account or give instructions on your behalf) will NOT be carried over. If you wish to put those arrangements in place for your smartMonday PRIME TESF account, you will need to complete new forms after the transfer. For more information please contact Member Services on 1300 614 644 or email execsuper@onevue.com.au.
- BPay payment details will change as a result of the transfer, so if you expect to make voluntary contributions to your account through using the method following the transfer, please contact Member Services on 1300 614 644 or email assistance@smartmonday.com.au for the new BPay details.
- Following the transfer to smartMonday the QROPS flagging will continue on your account and UK Government regulations will continue to apply as required.

Investment Options

smartMonday has different investments options from TESF. After the transfer, your account balance in smartMonday will be invested in the investment option(s) that most closely correspond (in terms of objective, strategy and risk) to the investment option(s) applicable to your account balance in TESF.

This does not mean that the corresponding investment option in smartMonday will be identical to the investment options applicable to your account in TESF. For example, the investment objective, risk profile and the investment related fees and costs of the corresponding investment option may be different. Details of your investment options in TESF and the corresponding smartMonday investment options are provided in Appendix 1 to this letter.

Fees and costs

The fees and costs applicable to your TESF account are different to the fees and costs that will be applicable to your smartMonday PRIME account. A comparison of the fees and costs as at 13 September 2018 is provided below

² This rebate will be credited to your account each month.

³ These fees are annualised but are deducted from your account on a monthly basis in arrears. These fees are indexed on 1 July each year in line with AWOTE.

Note: The fees and costs information shown above for TESH may be presented differently to the fees and costs information in the current TESH PDS due to updated estimates. For further information about TESH fees and costs, please contact Member Services. Estimated investment fees and ICRs for TESH and estimated ICRs for smartMonday are subject to change.

How the changes to fees and costs impact you

The transfer of your account balance to smartMonday into the investment option(s) (as indicated in the table in Appendix 1 to this letter) **will result in a decrease in the total fees payable** from your account (as illustrated in the table below).

Account Balance	Cost of your TESH account	Cost of your smartMonday account
On an account balance of \$23,115.23, (as at 13 September 2018) you will be charged annual fees of: ⁴	\$410.82	\$410.82

⁴ The cost of product shown here is an example of fees and costs for a one-year period (as at 13 September 2018) based only on annual investment fees, administration fees and indirect costs applicable to the investment option(s) relevant to your account in TESH and smartMonday. The example ignores any other fees and costs that may apply during the year (for example, exit fees applicable to partial withdrawals, insurance fees or other fees depending on a member's circumstances). It is based on your account balance at a particular date and assumes the amount of your account balance (and investment option(s)) remains the same for the whole year. It is an illustration only of the impact of annual fees and costs on your investment. For information about investment related fees and costs applicable to each investment option, refer to the investment Options table in Appendix 1.. You should consider all relevant information regarding the fees and costs which will be provided in your smartMonday PRIME TESH Product Disclosure Statement (PDS). Information about insurance fees is provided elsewhere in this notice.

Can I opt-out of the transfer?

If you do not want your TESH account benefits transferred to smartMonday PRIME TESH, you will need to either:

- request the transfer of your entire account to another superannuation fund that you nominate or,
- request payment of your account balance (if eligible).

To do either of these please contact Member Services on 1300 614 644 as soon as possible to obtain the relevant forms to complete.

You must return the completed forms to Member Services **by no later than 16 November 2018**.

We recommend that you obtain advice from a qualified financial adviser before you make any decision regarding your superannuation. Please note that, if you choose to transfer to another fund (i.e. you opt out of the transfer) you will lose any insurance cover that you currently have.

smartCoach

As a smartMonday member, you have access to the smartCoach intra-fund advice team who can provide you with advice on your superannuation including your investment options, how to maximise the benefits of your contribution strategy, as well as your overall retirement and insurance adequacy. There is no additional cost to use this service as it is funded through the fees you pay for administering your investments. To access this service email smartcoach@smartmonday.com.au or phone 1300 262 241 (please have your TEF account number, as shown at the top of this letter, handy).

What other information will you receive?

After the transfer has taken place, your existing account will be closed, and you will receive an exit statement from TEF.

After your account has been transferred, you will receive a Welcome Pack from smartMonday which will include a welcome statement, providing details of your account and how it is invested, and any insurance cover (if applicable).

If tailored employer arrangements apply to you, your Welcome Pack will also include an Employer Plan Outline summarising any special arrangements that may apply to your membership.

You can also find more details about smartMonday PRIME TEF by reading the relevant Product Disclosure Statement to be made available in the Resources section of smartmonday.com.au website from the transfer date (please see the statement in Appendix 3 to this letter which explains how certain disclosures may be made to you electronically by smartMonday unless you opt out). If you have any queries in the meantime, please contact Member Services on 1300 614 644.

IMPORTANT – No processing period

In preparation for this transfer **transactions** (such as switches or withdrawals), TEF and smartMonday PRIME TEF, **will not be processed from 19 November 2018 to 7 December 2018.**

Any requests (e.g. benefit payments, rollovers to another fund, etc), or transactions (e.g. contributions, rollovers into the fund, etc) to be processed prior to the transfer must be received by Member Services **no later than 16 November 2018.** Transactions received after this date will be processed in smartMonday PRIME TEF from 10 December 2018 and will be processed using the relevant unit price applicable on the day of processing.

If you have an urgent family law matter or benefit claim (e.g. financial hardship or disablement) during the suspension on processing, please contact us (using the contact details below) to check the progress of your claim.

Any insurance claim that is made, but not finalised, prior to the transfer will continue to be managed by the trustee in smartMonday PRIME in accordance with the governing rules of the TEF.

Important Legal Stuff (which you really should read!)

How and when will the transfer take place?

Subject to the completion of the due diligence process and the trustee determining that the transfer is in the best interest of members, it is anticipated your account will be transferred to 'smartMonday PRIME TESH in the AMT on **22 November 2018**, unless you choose to opt-out of the transfer.

Under superannuation legislation a member can be transferred to a 'successor fund' without the member's consent only if the rights in respect of the transferred benefits are equivalent (or better) in the receiving fund. Your benefits in TESH will be transferred to the AMT only if this test is satisfied.
